Quick updates on the exciting changes now under way at our Liliha campus

Liliha Campus Goal: To create Hawaii's first premier health and wellness center that offers a one-stop shop experience for seniors and their caregivers.

Update: Skilled Nursing Facility On Target to Open in Late Summer

The Clarence T. C. Ching Skilled Nursing Facility, which occupies 50,000 square feet on the top three floors of the Sullivan Building, is on target to open in late summer. Mahalo to Allied Builders, which is serving as the general contractor, and a team of subcontractors for moving this project forward.

Sullivan Building Lobby Temporarily Closed for Renovation

The lobby of the Sullivan Building closed effective Thursday, June 12. The lobby elevators will also be closed. Please refer to the memo on "Construction and New Footpaths to Enter Sullivan Building," so that you can share alternative routes with your patients. Apologies for the inconvenience to you, your employees and patients.

Parking for Your Staff and Patients

St. Francis Healthcare System recently instituted permitted parking on the 4th and 5th floors of our Liliha campus parking garage. However, there are 350 other stalls for your staff and patients. Please remind your staff to park on the 1st floor and basement. If there are no stalls available, please proceed to the next level. Please note that you and your staff may also park in the reserved stalls in the basement, except for those stalls that are marked with signs for physicians and restricted times. Be sure to let your patients know they can park on the 1st, 2nd, and 3rd floors. Watch for any future updates to parking. Mahalo for patience and understanding!

Parking Garage Wall Advertising Opportunity

Interested in promoting your practice or service to patients and caregivers who park in our garage? St. Francis Healthcare System recently signed an agreement with Ad Walls and we're extending this offer to tenants. Your ad in the parking garage can be a way to attract more patients or clients. Contact **Lauri Rasmussen**, Vice President - Operations at St. Francis Healthcare System, at 547-8102 or lrasmussen@stfrancishawaii.org.

Share about Your Practice or Organization

If you have an announcement about your practice or organization that you would like to share with other Liliha campus tenants, we would be glad to publish your information in an upcoming issue of **Transform**. Please contact **Nathan Hokama** at nhokama@scsolutions-hi.com or 226-7470.
